EXECUTIVE PROFILE

Senior international commercial executive with more than 30 years of experience growing businesses, opening markets and leading multi-country operations across Europe, the UK and international markets. Track record includes responsibility for P&Ls exceeding EUR 200M, scaling a business from EUR 70M to EUR 220M, negotiating USD 30M+ long-term commercial agreements, launching operations in new countries and leading Country Managers and commercial teams across up to 18 markets simultaneously.

Experience spans telecommunications, technology, international trade, B2B services, procurement and market intelligence, with particular strength in international business development, distributor and channel development, strategic partnerships, commercial transformation and cross-border negotiation. Fluent in English, Italian and Spanish.

CAREER HIGHLIGHTS

- **EUR 200M+** P&L responsibility across 18 European markets.
- **EUR 70M to EUR 220M** revenue growth at Tele2 prepaid over five years.
- **USD 30M+** long-term commercial agreements negotiated across Southern Europe.
- Led Country Managers and commercial organisations across **Europe and the United States**.
- Extensive experience in **market entry, channel development, distributors, partnerships and international expansion**.

PROFESSIONAL EXPERIENCE

Chief Executive Officer | 2025 - 2026

ADAMftd / ICTTM, Global Trade Intelligence

- Led commercialisation of a global trade-intelligence platform using customs, shipment and corporate data across more than 200 countries.
- Defined commercial positioning, pricing, go-to-market strategy and international partnership development.
- Worked at board and senior stakeholder level on international growth, partnerships and commercial strategy.

Managing Director - Selected International Projects | 2008 - Present

1402 Celsius Ltd, London / Barcelona / Sofia

- International business vehicle used for selected entrepreneurial, investment and cross-border commercial projects.
- Acquired and turned around Sitges Media Factory SL, delivering approximately 30% revenue growth within one year.
- Built an international PPE supply operation during COVID-19, managing manufacturer relationships, procurement and cross-border supply.
- Developed direct producer relationships and commercial transactions in complex international markets, including more than EUR 10M in trade volume involving Ukraine during 2022.

Member & Strategic Adviser | 2022 - Present

Capitalimprese, Italian Association of Industrial Enterprises

- Advisory association role focused on international business development, market entry and commercial partnerships.
- Facilitated a EUR 20M+ cross-border supply-chain initiative involving an Austrian manufacturer.

Chief Commercial Officer | 2007 - 2008

Euphony Ltd, Pan-European Telecommunications

- Held full commercial P&L responsibility across 18 European countries, with consolidated P&L exceeding EUR 200M.
- Directed Country Managers across sales, marketing, channel development and commercial performance.

Chief Operating Officer, Prepaid | 2002 - 2007

Tele2 UK / CCC Alpha Telecommunications, Europe & United States

- Scaled the prepaid business from approximately EUR 70M to EUR 220M revenue over five years.
- Directed 15 Country Managers across Europe and the United States, leading market expansion, product development and commercial execution.

European Sales Director & Managing Director Italy | 1998 - 2002

Dynegy Europe / IAXIS Ltd, London & Milan

- Negotiated more than USD 30M in long-term bandwidth agreements and approximately USD 15M in fibre-optic infrastructure investment.
- Led Italian market entry activities spanning commercial, regulatory and operational workstreams.

Early Career | 1989 - 1998

Telegroup Italia | AT&T; UK | Cable & Wireless Mercury | Olivetti

- Country Manager, Telegroup Italia: approximately USD 100M sales and a network of around 1,000 agents.
- Business Development at AT&T; UK, International Marketing at Cable & Wireless Mercury, and early IT consulting at Olivetti.
